## SESSIONS

## Getting to know QuickBooks free training session

Still finding your way around QuickBooks? Our free online onboarding sessions will have you up and running in just 90 minutes.

These practical webinars will cover:

- how to connect your bank (and why you should)
- managing customers and suppliers
- how to fully customise the company settings
- organising expenses and using receipt capture
- creating invoices and recording payments

---

Start saving hours on your monthly admin. Whether you're brand new to QuickBooks or just need a refresher, you'll discover new ways to manage your business more efficiently. Our experts will answer questions throughout the session and afterwards you'll get details of further support, plus a recording that you can watch at any time.
